

## Portfolio

My name is Oksana Caretti. I work for my family manufacturing business in Adelaide while pursuing my infinite passion for millinery in my spare time.

I have always had a flair for fashion and art, which led to studying dress-making and then continuing my studies of Millinery at TAFE SA under master Lorraine Gill.

Upon finishing Certificate 4 in Millinery, I was awarded the Best Millinery Student of the year 2017 at TAFE SA.

I am also a proud member of the Millinery Association of Australia, a racing fashion enthusiast and have won many FOTF competitions wearing my own design millinery at local racing events.

I placed 2nd in the MAA Design Award 2018, won Best Millinery Exhibit at the Royal Adelaide Show in 2017 and 2023, and also placed 2nd in the Masters of Millinery category at the Royal Melbourne Show in 2018.

I am a strong supporter of slow fashion. Furthermore, I am always up for a challenge in design and construction of the unique contemporary headpieces that are fashionable, trendy and best reflect the personality of its wearer.
